names found elsewhere are apt to refer to different men and also in order to make a reference to the War Department entries easier. The references "1 V. R.," etc., are to the Virginia regiments in the Continental line, while those marked "1 V. S. R." and "2 V. S. R." are to the two regiments of the Virginia State line serving in the Continental army.

The preparation of so extensive a work in a short space of time would not have been possible without a considerable and efficient force. I take this occasion to acknowledge my indebtedness to Miss Edmonia Blair Martin, Miss Virginia Jones, Miss Rose Goode and Miss Ethel L. Nolin, members of the staff of the Virginia State Library, and to Miss Mary L. Garland and Mrs. H. L. Goode, special assistants in this work.
